Choosing a Wife.

The plainest features become handsome unwarmed when associated only with kind feelings and the loveliest face disagreeable when linked with ill humor or caprice. STATE TICKET IS IN DOUBT

Herrick and Pattison Are Running Neck And Neck.

REPUBLICANS LOSE HAMILTON

All City and County Offices Are Captured by the Democrats.

TOM JOHNSON CARRIES CLEVELAND

Forest City Executive Decisively Defeats Boyd, the Republican Candidate—Columbus Democrats Elect Mayor By a Handsome Plurality. Independent Candidate Sweeps Toledo—Latest Returns From All Sections of the Buckeye State.

Columbus, O., Nov. 8.—Returns received by the Republican state committee at this hour indicate that Myron T. Herrick has been elected by about 45,000. The returns are, however, entirely too fragmentary to be used as a basis of a safe calculation. Chairman Dick of the Republican state committee, and Chairman Harvey C. Garber of the Democratic committee issued midnight statements, each claiming the state, but neither giving figures.

The early reports, though very meager, were so strongly in favor of Pattison that his election was hailed and announced in newspaper extras, but as fuller returns came in showing a reduced ratio of gains the Republicans became more hopeful, and the

JOHN M. PATTISON.

Democrats refused to give out estimates, although they still maintained that they had gained a notable victory.

Chairman Dick issued the following statement: "The election returns are fragmentary and meager at this hour, delay being due to the large number of candidates and a great deal of local ticket scratching. While it is not practicable as yet to approximate definite figures, indications clearly point to the re-election of Governor Herrick and the entire Republican state ticket by safe pluralities."

Chairman Garber would not give out a formal statement at midnight, but from reports that reached him he considered the election of Pattison and the entire Democratic ticket assured. He said he believed Pattison's plurality would approximate 45,000, the figures he gave in his pre-election estimate. As to the legislature, he said he counted on a large Democratic majority in both houses.

Early reports from Cincinnati were to the effect that Hamilton, county which had been counted on by the Re-

MYRON T. HERRICK.

publicans to give 30,000 plurality for Herrick, had gone to Pattison, but at midnight a private message from George B. Cox to Governor Herrick announced that Hamilton county had given the governor 3,500 plurality. The 8,000 or more given by Cuyahoga county for Pattison was close to what had been anticipated by Chairman Dick in his poll announced last week giving that county to Pattison by 8,000.

The Western Reserve, the Republican stronghold, was not heard from until late, and then came reports unfavorable to Herrick. Portage county was carried by Pattison by 750 to 1,000. Ashtabula county, usually good for 5,000 Republican plurality, gave Herrick but 2,000. At this hour there are insufficient returns to show which party has a majority of the legislature. The two constitutional amendments were carried.

As to the legislature, little in the

way of definite news was obtainable. Interest in the state contest and the long delay in counting the vote serving to delay reports on everything below governor.

Although the Democratic leaders claim the election of Pattison and the entire Democratic ticket by substantial pluralities, the Republicans refuse to concede such a claim. Halfhearted that the returns were insufficient to indicate anything except that the vote was very heavy and that the amount of scratching made counting very slow.

In the cities the Republican loss extended to the precinct, but as the loss was not outside of the large cities so far as reports were only about 54, there was no certainty that the loss would run high enough to wipe out the 270,000 Republican plurality with which comparisons were made.

Taking 236 precincts in Cincinnati, 40 in Columbus, 60 in Cleveland and 10 in Toledo, the average Democratic gain is 105 to the precinct. In 120 precincts received outside of the above cities, the Democratic gain is 37 to 46 precinct. Estimating all the precincts in the above cities and the 330 precincts outside gives a Democratic gain of 149,568, or 4,821 votes less than Laylin's plurality in 1904.

Franklin County.
Columbus, O., Nov. 8.—Although it is not yet possible to get accurate footings, returns show the election of former Congressman Budger for mayor of Columbus by from 4,000 to 5,000 plurality. On the county ticket Sheriff Korb and Probate Judge Black, Democrats, were re-elected. The result for prosecuting attorney and county clerk is very close, and may require the official count to decide.

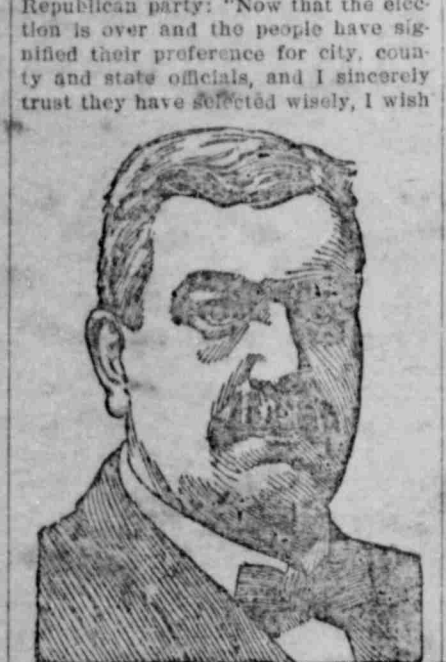

The entire city ticket was elected by the Democrats. Governor Herrick carried the county and city by 2,000 plurality.

Lucas County.
Toledo, O., Nov. 8.—Returns indicate that Herrick, Republican candidate for governor, will have 3,000 plurality over Pattison (Dem.). The returns also indicate the election of Brand Whitlock, Independent candidate for mayor, by 5,000 plurality, and the election of the entire independent county and city tickets by smaller pluralities.

Cuyahoga County.
Cleveland, O., Nov. 8.—Republican leaders concede that the Democrats carried the city and county by substantial pluralities. Mayor Johnson (Dem.) declares his plurality will be not less than 8,000. Pattison (Dem.) for governor will probably have 10,000 plurality in Cuyahoga county.

COX RETIRES.

Cincinnati Leader's Announcement. Twenty-Five Years' Service. Cincinnati, Nov. 8.—George B. Cox, the well known Republican leader, gave out the following statement withdrawing from active service in the Republican party: "Now that the election is over and the people have signified their preference for city, county and state officials, and I sincerely trust they have decided wisely, I wish

to announce to the public that from this day, after twenty-five years of active service in the ranks of the Republican party, my personal activity in politics shall cease. I will continue to vote the Republican ticket, but others must bear the burden of future campaigns. To the local Republican organization and the many friends that have stood with us in the past, I tender most grateful thanks for their unswerving loyalty and support. I hope for their future good will."

Dempsey Elected.

Cincinnati, Nov. 8.—George B. Cox concedes Dempsey's election as mayor by 1,500, and that Pattison carries Hamilton county by 1,200. He says Pattison (Dem.) has carried the state by 60,000.

Summit County.

Akron, O., Nov. 8.—Pattison is conceded to have carried Summit county, while the entire Republican city ticket is elected with the exception of Kemple (Dem.) for mayor.

Muskingum County.

Zanesville, O., Nov. 8.—Estimated on official returns Pattison will have a plurality of 200 over Herrick in Muskingum county.

Hancock County.

Findlay, O., Nov. 8.—Hancock county will give Pattison a plurality of 300.

Fatal Quarrel.

Indianapolis, Ind., Nov. 8.—Within sight of 30 men standing in front of a polling place in the Fourteenth ward, John Smith was shot and killed by Herman Huff in front of the latter's home on Arbor avenue. The trouble grew out of personal differences. Huff escaped.

SAYS DOUMA NOT DECIDE

Count Witte Opposes the Demand for Universal Suffrage.

ASKS ZEMSTVOYEST SUPPORT

Demonstration of Police Workmen at Warsaw Suppressed by Troops. Revolutionary Socialists Control the Situation in Finland—Latest Developments in Russia.

St. Petersburg, Nov. 8.—The latest reports from the Caucasus are warlike. Fighting between Armenians, Kurds and Russians in the Daghestan, Kutais, Batak and Kuban districts, assumed a ferocious character, and every attempt of the troops to restore order resulted in the population turning upon the soldiers and fighting them with arms and bombs. Two companies of Cossacks were reported to have been entirely wiped out. The entire trouble is of a revolutionary character, but it gives the people an opportunity to manifest their race hatred, and the most horrible atrocities have been committed.

Count Witte has pledged himself to support the plan for the convocation of a constituent assembly when the Douma meets, if a single representative raises the question. He is exceedingly anxious to win the support of the zemstvo party, which he does not hesitate to declare conforms nearest to his political ideas, and which he evidently regards as the strongest, safest and most influential factor in the future political life of the country. The count has been in almost constant consultation with the leaders of this party, and they have steadily refused their allegiance except on the condition of the convocation of a constituent assembly based on universal suffrage. Count Witte has as persistently opposed the demand, insisting that the matter was for the Douma itself to decide. At the same time he announced his personal belief that in the end such an assembly must be summoned.

Now that the crisis in Finland is virtually over, it develops that the revolutionary socialists had complete control of the situation. The militia in possession of Helsinki and other towns, kept a firm grip on all means of communication, and prevented the news of what was happening reaching the Russian authorities. The whole country was in a ferment of excitement, and was fed upon reports that the Russian people had set up a republic, and that thousands of men and women were making their way from the interior toward the cities with arms to join in a war for freedom.

MYSTERIOUS CASE.

Bride and Groom Found Dead at Home—Both Shot.

Newberg, Ore., Nov. 8.—Carl Hurford and his wife, a bride of six weeks, were found dead in their home here by neighbors attracted to the house by the firing of shots. Hurford had been working in a factory here, had been ill for several days. Mrs. Hurford visited the factory and was told that her husband's position would be kept open for him. Shortly after she returned to her home a shot was heard and Mrs. Hurford called for help. When neighbors arrived Hurford and his wife were dead, both having been shot. Whether the tragedy was one of murder or suicide or double suicide may never be known. Hurford came here with his mother and brother from Missouri a year ago. Mrs. Hurford came from that state two months ago to marry Hurford.

POWDER EXPLODES.

Four Men Killed and Several Injured in an Illinois Plant.

Bellefonte, Ill., Nov. 8.—The press house of the Phoenix Powder works at Phoenixville, a few miles from here, exploded, killing four men. Several others were injured. Dead: Louis Hall, William Humes, George Gumes, Walter Krobbe, millwright. Residents of Bellefonte saw a cloud of dust shoot high in the air over the hills across the mill, and the report was distinctly heard and felt 10 miles from the scene. The building was blown into kindling wood, and the bodies of the victims were strewn among tree-tops. The cause of the explosion has not been ascertained.

Costly Blaze.

Birmingham, Ala., Nov. 8.—Fire totally destroyed the new five-story building on Twentieth street of the Moore & Handley Hardware company. The building was erected at a cost of \$75,000, and the stock was valued at \$75,000. The two-story structure on Avenue A, adjoining that of Moore & Handley and recently occupied by the Avondale laundry, was also burned, the loss being \$10,000. The plant of the Philip Carey Manufacturing company on Avenue A, was totally destroyed with the contents, the loss being estimated at \$12,000.

Darrow Deserts Dunn.

Chicago, Nov. 8.—Clarence Darrow, special traction counsel for the city of Chicago, resigned. In a letter to Mayor Dunning he declared he has no desire to continue in the employ of the city, inasmuch as municipal ownership can not, in his opinion, be effected until the spring election. A desire to give more attention to private business was another reason.

NEW TRIAL

Refused Mrs. Cassie L. Chadwick By Federal Court.

Cincinnati, Nov. 8.—The United States circuit court of appeals refused a new trial to Cassie L. Chadwick. Of the large number of errors claimed by her attorneys to have been made by the trial court, this court found that the lower court did not err in one. In closing his decision, Judge Lurtin declared that Mrs. Chadwick ought to have known it was wrong to draw checks on a bank when she knew she had no money on deposit there, and that the inference drawn by the jury in the trial court that she did the acts with intent to defraud was proper.

At Cairo, Ill., Garfield Hines was shot and killed by his wife, Mrs. Hines was arrested and placed in jail. She says her husband attacked her with a knife.

A passenger train on the Rome, Watertown & Ogdensburg railroad collided head-on with a freight near Syracuse, N. Y. Three trainmen and a mail clerk were killed, and one trainman was seriously hurt.
